## STEP 3: Select “Enter Invitation Code”

Please note that you should only apply for the major in which you were approved.

Any applicant who submits a late application with a major that was not approved by the Admissions Appeals Committee will have their major automatically changed back to the one they were approved for.

# Select the Programs to Which You Want to Apply

Select at least one program to start your application. You can add additional programs from the Add Program tab at any time before the submission deadline.

Application fees for some undergraduate programs may be waived based on eligibility. Once you have completed your application, please click on the Submit Applications tab to review your fee waiver status. **STEP 4:** Enter the Invitation Code provided to you by the Admissions Appeals Committee. Once you enter the Invitation Code, you should see Sonoma State University listed as the Campus.

This code is a one time use code and is only to be used for Sonoma State University and for the specific major you were approved for by the committee.

The screenshot shows a web form titled "Enter Your Invitation Code" with a close button (X) in the top right corner. Below the title, there is a message: "Invitation codes are one-time use and rarely administered. Do not share your code." The form contains a text input field labeled "Invitation Code" with a placeholder "XXXX-XXXX-XXXX-XXXX". Below the input field are two buttons: "Cancel" (light blue) and "Submit" (dark blue). The form is overlaid on a gray background with some faint text visible around the edges.

Once the Invitation Code has been validated, you will be able to select a single program (major) at Sonoma State University. An Invitation Code may only apply to a single program and once the program of choice is selected, all other programs will be grayed-out.

**Invitation Codes are case sensitive and can only be entered in once.**

**Entering the Invitation Code multiple times will cause an error with the application term.**

**STEP 5:** Once you enter in your Invitation Code, the “Select a Program by Invitation Code” window will open, with Sonoma State University being the selected campus. At this point, you can scroll down to see the available majors that you are eligible for given your class level. **You need to select the major you were approved for by the Admissions Appeals Committee.**

Do not filter results by location or delivery format or start term.
