At Sonoma State you'll find a diverse community ready to meet you where you are in your educational journey. Our students come to Sonoma State for an experience that they will never forget. Be a part of the #NamoNation today.

## **A few facts about Sonoma State:**

Just an hour's drive from both San Francisco and spectacular stretches of coastline, Sonoma State University is California's only public Liberal Arts university. With a tradition of fostering intellectual, cognitive, social and personal growth, Sonoma State provides a world-class

education in academic programs covering more than 45 undergraduate majors and over 50 minors, concentrations, and certificate programs.

### **An intellectually exciting environment.**

Rooted in the liberal arts and sciences, our curriculum is interdisciplinary. Our degree programs provide opportunities to explore, providing the foundation you need to become a creative and critical thinker in a complex and ever-changing world. With an average 18:1 student-to-faculty-ratio, you will have the opportunity to get to know your professors, your fellow classmates, and engage in thoughtful discussions that extend beyond the classroom.
