The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU may reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All state fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as applicable. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66258 - 66259.6 of the Education Code).

Beginning July 1, 2017, payments on student accounts made online by credit/debit card will be charged a 2.75% non-refundable service fee by our third party provider, Cashledger/SmartPay. There are several simple options for students to avoid this fee. Student fees paid by financial aid will not be impacted by this change. For additional information, visit Credit Card Service Fee FAQ.
