SESSION 1: 9:45-10:30 a.m.

Student Involvement-What To Do at SSU
Did you know that getting involved on campus, outside of the classroom is a key factor in a student’s success? Learn more about our over 120 Clubs/Organizations, Fraternity and Sorority Life, and Sports Clubs, as well as community services events, trips, concerts, lectures and so much more that we have to offer our students! At least once a day, we hear someone say, There’s ALWAYS Something To Do At SSU! (Student Presentation)

Culture of Care
Sonoma State is a unique campus within the CSU system. We are known for our close knit community of students, staff and faculty who truly care for each other. Come learn about the Culture of Care that we have established here and how we will be caring for your student. (Parent/Supporter Presentation)

Disability Services for Students
This presentation is designed to inform students and parents about the differences between high school and college disability accommodation and support services, as well as provide the steps necessary for students to become active participants in this process at Sonoma State University. This presentation is intended for first time freshmen as well as transfer students.

The Transfer Experience
Welcome future SSU Transfer Students! Join Transfer Student Programs in this interactive workshop and hear from current transfer students about their experience at SSU. There will be much insight about why they chose to come to SSU, how they navigated through their transition and what helped them overcome any obstacles they encountered. This session lasts for two time blocks.

Bienvenida a la Universidad
Un taller informativo para padres e hijos Latinos sobre los próximos pasos y recursos para un nuevo estudiante de la Universidad.

Meet the Coaches & Student Athletes
Coaches, student athletes, and staff will be available to meet with future Seawolves and their parents.

SESSION 2: 10:45 a.m. - 11:30 a.m.

School of Science & Technology Overview
Come learn more about the STEM and Health-related majors and programming in the School of Science & Technology

Center for Academic Access & Student Enrichment
The Center for Academic Access & Student Enrichment (CAASE) provides SSU’s underrepresented and underserved students with resources to persist and graduate. We will show CAASE our six departments during this workshop so students can learn about the services and support provided through CAASE.

Study Abroad Workshop
Make studying away a part of your Sonoma State experience! All students can study away, stay on track for graduation, and your financial aid goes with you! Find out how!

Economics Overview
Learn about the Department of Economics and where our graduates are being hired. You will have the opportunity to get your questions answered directly by our ECON faculty!

Bienvenida a la Universidad
Un taller informativo para padres e hijos Latinos sobre los próximos pasos y recursos para un nuevo estudiante de la Universidad.

Geography, Environment & Planning Student Panel
Hear from current students about this unique program to SSU, how it’s preparing them for their future careers. Faculty will be available for questions as well.
SESSION 3: 11:45 a.m. – 12:30 p.m.

School of Business
The School of Business and Economics offers coursework and degree programs that prepare students for careers of positive professional and community impact. Students are exposed to alternative viewpoints concerning the analysis of organizational, social, and economic problems, including both quantitative and qualitative approaches. Our degree programs focus on the roles and responsibilities of decision makers within a complex and ever-changing environment, and emphasize the consideration of ethical and global issues.

Health & Wellness at SSU
Come learn more about your financial aid award letter and the kinds of available aid. We will discuss the financial aid process, explain how aid is disbursed, and how to handle unmet costs.

Computer Science
Meet with the Computer Science faculty to learn about what makes the Computer Science major different than other CSU campuses.

Nursing Overview
Learn how to navigate the pre-nursing path to our impacted nursing program.

School of Education
The School of Education offers exemplary programs based on sound educational practice, extensive research knowledge, and commitment to the needs of diverse populations. In addition to our Early Childhood undergraduate major, we offer programs to prepare you for elementary, secondary, and special education teaching. If you want to be a teacher or work with children, join us to learn about how the School of Education can help you achieve your goals!

Residential Education & Campus Housing
Please attend this session to learn more about living on-campus, how to apply, and what to consider so you can be as successful as possible here.

The EOP Experience
The Educational Opportunity Program provides access, academic support, and transitional services improving the retention of first generation, historically low income students. We invite admitted EOP students and their families/guardians to join us to learn more about the EOP services and experience at SSU.

SESSION 4: 12:45 p.m. – 1:30 p.m.

School of Social Sciences Overview
The School of Social Sciences’ undergraduate and graduate offerings are united by the study of human society and social relationships, which is integral to a well-rounded, high-quality liberal arts education. The School of Social Sciences is the largest school on campus, with 10 departments offering 11 bachelor’s degrees, 11 minors and 5 master’s degrees.

Paying for College-Financial Aid Workshop
Are you wondering how to decide if SSU is an affordable option for your education? Join us for a presentation that explains registration and housing charges and describes how financial aid assists you with payment.

Engineering Overview
Learn what makes our Engineering major cutting edge and stand out from other programs.

Kinesiology
Meet with our KINS faculty to learn about the various opportunities within the Kinesiology major.
